

Rifabutin

Type of Posting	Revision Bulletin
Posting Date	30-Sep-2022
Official Date	1-Oct-2022
Expert Committee	Small Molecules 1

In accordance with the Rules and Procedures of the Council of Experts, the Small Molecules 1 Expert Committee has revised the Rifabutin monograph. The purpose of this revision is to widen the *Acceptance criteria* for *Any unspecified impurity* in the test for *Organic Impurities, Procedure 2* from NMT 0.15% to NMT 0.5% to accommodate FDA-approved drug products with different limits.

The Rifabutin Revision Bulletin supersedes the currently official monograph.
